Re: MUR 7400

Dear Mr. Jordan,

This letter is in response to the Complaint filed by Kim Carver on June 1, 2018, and is in reference to the the following issues:

**1.) Statement of candidacy**

- On February 22, 2018, the campaign filed a statement of organization (Form 1) and a statement of candidacy (Form 2) via an electronic filing.
- On May 14, 2018, the campaign was notified by a third party that the previously filed statement of candidacy was not listed in the candidate filings on the FEC website. While the reason for this omission was unknown, the campaign took steps to address the matter immediately, filing an amended statement of candidacy on the same day.

**2.) Disbursements**

- On June 22, 2018, the campaign filed an amended quarterly report (FEC-1222024) covering January 1 - March 31, 2018. The original report (FEC-1222024) was filed on April 14, 2018 via FECFile.
- The campaign's disbursements for this period totaled \$883.63.
- The omission of disbursements on the original report was inadvertent and unintentional, and in no way represented any willful intent to violate federal reporting laws. The matter has been corrected in the amended report, and the campaign has instituted procedures to preempt any further technical errors.

**3.) Signature on report**

- This clerical error was corrected in the amended quarterly report.

It has been and continues to be the intent of Jim Francis for Congress to comply fully with all FEC rules and regulations.

We respectfully request that the complaint be dismissed and the file be closed with no further action taken.

Sincerely,

Nicole Francis,  
Treasurer, Jim Francis for Congress
